

12. Misrouted Bills Report

This generates two reports of any shipment MANIFESTED to a location, other than the destination shown on the freight bill, thus, indicating it has been misrouted. One report is [From Terminals](#) and the other is [To Terminals](#).

```

00/00/00 12:00:11
FUNMFT
                                TRUCKING INC
                                Mis or Unrouted Freight Bill Report

Date ..... 00/00/00

Destination terminal.. _____

Shipper ..... _____

Consignee..... _____

Number Of Copies..... 1
Printer ID..... PRT1

F3 Exit (No Report)

```

Key in the appropriate values and press **ENTER** to submit the report for processing. If any value is left BLANK all records will be selected. For example, if the destination terminal is left blank then records for ALL of the terminals will be selected.

Date: The date will default to the current date, but may be overridden. The report will be pulled from any date entered and prior.

Destination Terminal: Enter the destination terminal code.

Shipper/Consignee: The shipper and consignee must be entered as a customer number.

The first report is sorted by the FROM terminal:

```

FUNMFT DATE 00/00/00 MIS OR NOT ROUTED FREIGHT BILLS FOR SHIP DATES THROUGH 10/02/01
TIME 13.12.22 TERMINAL: ALL

FROM TO CRNT MFT# BILL# SHIP DATE APPT DATE/TIME CONSIGNEE CITY SHIPPER
